

## APPLYBAU INTERNATIONAL SCHOLARSHIPS

The application acceptance system implemented by Bahçeşehir University, which is called Apply BAU, gives scholarships to students according to their applications. Students who apply to the Apply BAU system and to whom an acceptance letter is sent as a result of the application, receive a scholarship at the rate specified in the acceptance letter, specific to the department.

1-In order to benefit from ApplyBAU scholarship, an application must be made to [www.applybau.com/international](http://www.applybau.com/international) and the application must be accepted.

2- In order to benefit from ApplyBAU scholarships, the student candidate must meet the foreign student admission criteria, have an application in the admission application system, and be ready for enrollment after this program has been accepted and received the Official Acceptance Letter.

3- Scholarships earned through ApplyBAU are valid if they are registered in the applied year. The scholarship provided is valid for 7 (seven) years for the 4-year departments of the faculties.

4- ApplyBAU scholarships are only valid for the departments for which the student is notified. The scholarship amount written opposite each section is valid only for that section. It cannot be used in any other section.

5- These scholarships are not valid for paid abroad programs.

6-Apply BAU scholarships cover the tuition fees, however, student subsistence, accommodation, transportation, pilotage department flight school fees and other expenses belong to them.
